IF POSSIBLE, call the Hall for drug test forms before 2:00 PM. When you happen to call between 2 and 4pm near the close of business we run into snags verifying a fax has been received at the testing facility. That could be an issue for you, when you travel to a facility after our business hours only to find the fax transmittal has failed. We can mail you a drug test form also, it is good for 2 weeks once we print it, and that way you have the drug test authorization in hand! Please make sure you have 18 MUST Mods completed and you are current with your drug test! This is needed for Plant work. If you have problems viewing your mods please call the hall or any Business Agent for assistance. **Reminder we do not use Concentra for MUST drug testing** because they are no longer union friendly.
