Prioritize your mental health — you and your family's health matters! Mental health is just as important as physical health. In today's world, it's easy to overlook the need to care for ourselves or our families. We encourage our members, families and friends to take a moment to check in with themselves, reach out if you or someone you may know needs support and ask for help. Below are the National Crisis Center Hotline numbers. Additionally, your local union may have its own Member Assistance Program (MAP); if so, their contact information has been provided in the Directory Issue and on the Iron Workers' website at www.ironworkers.org/s/directory.
